# Organic COTTON ABSORBING INSERTS

-  Brand new diaper line by Bamboolik
-  GOTS-certified organic cotton
-  Made in the heart of EU

With these diapers, you save the environment twice! Once by switching to reusable diapers instead of disposables and once by preferring a more sustainable material.

# WHAT IS GOTS?

Global Organic  
Textile Standard

Highest standards for cotton growing and manufacturing

Strictly regulated use of chemicals during manufacturing of the cotton fibre

Respectful approach to land - alternating crops, forbidden use of herbicides, pesticides or other harmful chemicals

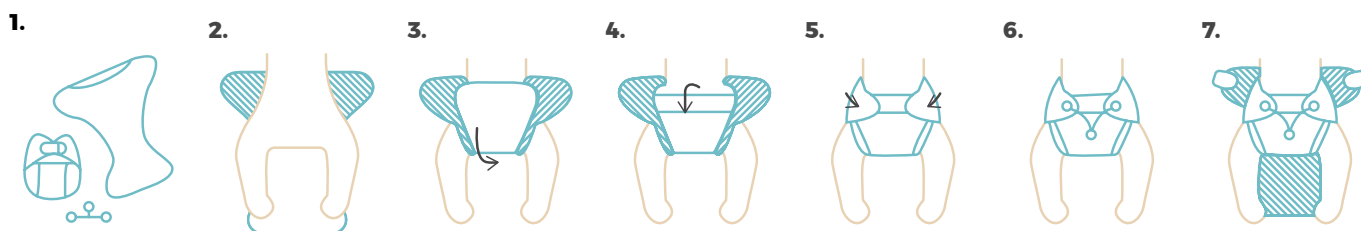

Fair wages and decent working conditions for workers

Beneficial for the soil as well as the water in the farming area

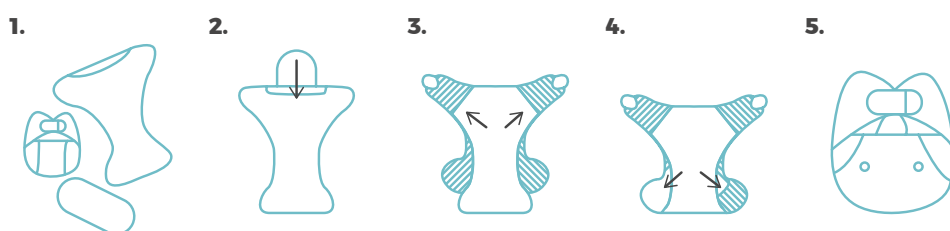

## BASIC ABSORBING LAYER

FOR ALL-IN-2/AI2/SIO DIAPER SYSTEM

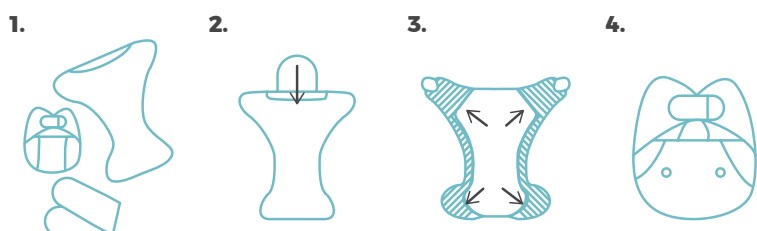

### For a newborn

### For a baby

### For a toddler
